Informal Public Comment – Speaker Protocol

The City of Garden City believes that any member of the general public should be afforded the opportunity to address the City Council provided that designated rules are followed by the speaker. Any member of the public who wishes to address the City Council and offer public comment on items within the City Council's jurisdiction, may do so during the Informal Public Comment period of the meeting. However, no formal action will be taken on matters that are not part of the posted agenda. Informal Public Comments are scheduled for a total of fifteen (15) minutes and each person will be limited to three (3) minutes. In order to ensure the opportunity for all those desiring to speak before the Council, there is no yielding of time to another speaker. Speakers not heard during the limited fifteen (15) minute period will be first to present their comments at the next Council meeting. The opportunity to address City Council on a topic of his/her choice shall be used by an individual only one (1) time per month. It may not be used to continue discussion on an agenda item that has already been held as a public hearing. Matters under negotiation, litigation, or related to personnel will not be discussed. If a member of the general public would like to address the City Council during the Informal Public Comment portion of the meeting, please respectfully indicate your desire to address the City Council when the Mayor solicits members of the general public to come forward and speak. You will be recognized by the Mayor and asked to come forward to the podium so that you can address the City Council in accordance with the rules outlined herein. Once the speaker has been recognized to speak, he/she will be given three (3) minutes to address the City Council. The speaker should not attempt to engage the City Council and/or Staff in a discussion/dialogue and the speaker should not ask specific questions with the expectation that an immediate answer will be provided as part of the three (3) minute time frame since that is not the intent of the Informal Public Comment period. If the speaker poses a question or makes a request of the City, the Mayor may refer the issue or request to the City Manager for follow up. At the conclusion of the three (3) minute time period, the speaker will be notified that his/her time has elapsed and the next speaker will be recognized to come forward to the podium and address the City Council. The Mayor may rule out of order any Speaker who uses abusive or indecorous language, if the subject matter does not pertain to the City of Garden City, or if the Speaker(s) attempts to engage the City Council Members in a discussion or dialogue on issues. City Council shall not discuss non-agendized matters because it does not give the public adequate notice. Accordingly, City Council shall be limited to asking factual and clarifying questions of staff, and when appropriate, the Council may consider placing a matter on a future agenda. In addition, it is not reasonable to expect staff to respond to any of a variety of issues on which they may or may not be prepared to respond to on a moment's notice, so the City Manager may respond, or direct staff to respond at a later time.
